

STREAM

Strategic development of flood management

STRATEGIC THEME 2.2.1 - FLOOD RISK

Developed methods and tools to be used for managing flood risks and their related impact in Programme area.

DA RISORSE CONDIVISE A SOLUZIONI COMUNI

STREAM migliorerà le capacità di monitoraggio e gestione dei territori nel reagire prontamente alle catastrofi alluvionali, aumentando la sicurezza da calamità naturali riducendo così le conseguenze negative associate alle inondazioni per la salute umana, l'ambiente e l'attività economica.
